

## **“Public Relation office”**

Mr Rogers is the financial secretary of SPPARE-NET who works together with our treasurer to oversee all matters relating to finance. He is a Medical Laboratory Technologist and also holds a Bachelor of Clinical Medicine and Community Health degree.

Mr Rogers brings to Spparenet a vast experience gathered from community based disease diagnosis and clinical practice. He is very experienced in Health economics and health system research. Of particular interest is his experience as the former two term president of the United Faith Chapel, in Ishaka. It is expected that his devotion to his christian faith and his dedication to zero corruption and transparent accountability will enable him manage the finances of SPPARE-NET accordingly with the ultimate goal of building a result oriented network in a typical resource poor setting.
